

**Annual Report for the 3<sup>rd</sup> & 4<sup>th</sup> CAVALRY REGIMENTS Association Inc**

To the RAAC Corp AGM 10 October 2020

The end of 2019 started well with an invitation from the unit as a guest at their first Annual Dining in night held within the hangars of the unit.

This was an excellent event as I got to meet and talk to most members of the unit and also gave me a chance to say farewell to the outgoing OC.

I also had the privilege to meet Col Bruce Richards (Ret).

It was also a great pleasure to see the Guidons taking pride of place in the centre of the main office of the unit.

After the unit visit I had high hopes of working closely with the unit to build the Association but 2020 has started off on the wrong foot and we are all still waiting for all to come back to a more workable life as we all adapt to this new way of life.

The Association is at present on a holding pattern awaiting clear skies so we can continue to work with the unit and build our membership because at present it is on the decline.
